Benefit from fully funded training

Training comes at no cost to you, your school or college. You will receive £1,000 upon completion of your course to spend on furthering your CPD or careers programme.

Boost your knowledge and make an impact

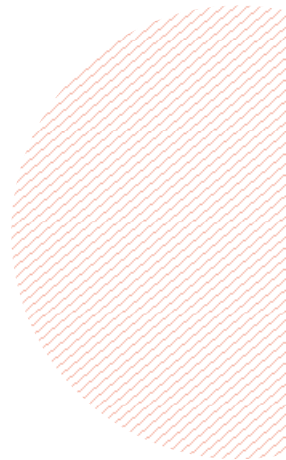

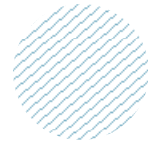

Gain access to a qualification (up to level 7) with both non-accredited and accredited programmes. You will build your confidence to develop a careers programme that improves your school, special school or college's Gatsby Benchmarks.

Training designed and delivered in a flexible way

Choose from a range of courses and providers to suit your needs whether that's face-to-face, virtual or blended learning. A fully distance learning offer is also available.

Network and collaborate with other Careers Leaders

Enjoy connecting and working together with Careers Leaders from all settings. You will gain access to an established and invaluable peer network to share best practice.
